TOMMY SMITH	(Scotland )	SAXOPHONE
PAOLO FRESU	(Italy )	TRUMPET
MARCIN WASILEWSKI	(Poland )	PIANO
PATRICE HERAL	( France )	DRUMS
ARILD ANDERSEN	( Norway )	BASS

This is a European dream quintet formed from my favorite musicians .  
The idea comes from finding a way to combine people I have worked with  
in trios and duos over the last ten years.

Patrice Heral and I go back about 14 years of playing together in several constellations  
specially with Markus Stockhausen and Carsten Dahl

Tommy Smith and I goes back about 20 years, but now for the last 5 years we have been  
playing together in a trio with drummer Paolo Vinaccia.

My first concerts with Paolo Fresu was in Greece about 10 years with among others Paul  
Wertico on drums.

This last winter I had the opportunity to play with Marcin Wasilewski and he became a  
definite choice for this quintet.

The music we play is from several of my ECM recordings worked into a quintet setting.
